

Billerica Community Conference: An Interdisciplinary Gathering

Thursday, March 15, 2018 ♦ 10 am to 3 pm
70 Concord Road, Billerica, MA 01821

February 19, 2018

Dear Colleague,

You are invited to the 3rd **Billerica Community Conference: An Interdisciplinary Gathering**, on **Thursday, March 15, from 10 am to 3 pm**. We will come together across disciplines to listen, share ideas, make connections, and find common ground that works for the good of Billerica. Today, we are reaching out to invite you to join us in expanding our connections and our shared resources.

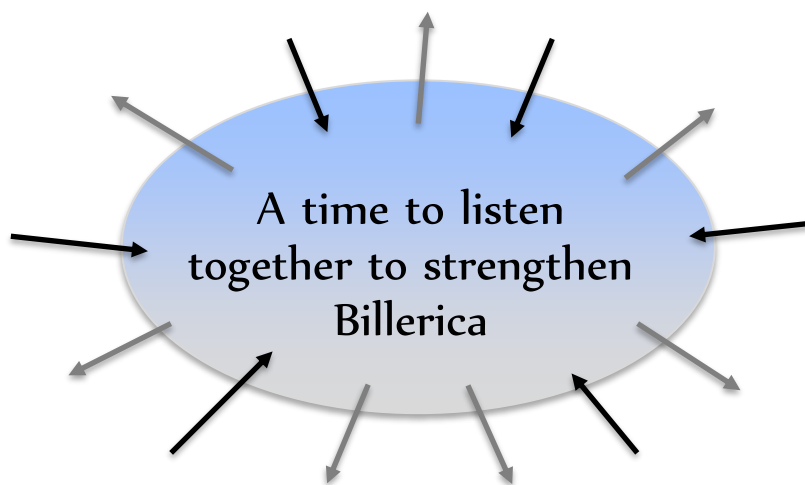

You have been invited because you are a resource in this community. Through your offices of public safety, municipal leadership, education, youth services, elder care, health services, and business leadership you have knowledge, ideas, tools, and resources to improve life in our community. Billerica, like many communities, faces problems that include addiction, racism, and poverty. When we come together to listen to other's perspectives and share information, we increase our efficiency and discover areas where we can share our resources and expertise. By creating a network of community resources, we strengthen our ability to reach out more effectively to solve our community challenges.

During this conference, sponsored by the Billerica Interfaith Association, participants will hear presentations, spend time in moderator-led break-out groups, and share ideas for moving forward to improve the future of our community. Please bring material resources to share.

We look forward to your participation in this initiative.

Sincerely,

The Billerica Interfaith Association
